

2009 FUEL

Extensive days on the water, pushing the limits, willingness to take the beatings and redefining the words EXTREME POWER are what describe the **FREESTYLE COLLECTION**.

The Fuel's legacy for innovation, durability and unrivaled high performance are what make the Fuel the freestyle expert weapon of choice.

In it's 8th year the Fuel sets the bar even higher. With Freestyle Global Team Rider Ruben Lenten as a calculated part of the design process, the Fuel positions itself as the anchor to the **FREESTYLE COLLECTION**.

Benefits:

The Slingshot Fuel is for the expert rider who demands a powerful, stable and relentless kite that will boost, loop and recover in the most demanding freestyle conditions. Fuel your passion at slingshotsports.com/fuel.
