

BULK KITE KITS — MAIL ORDER PRIMARY SCHOOLS

BULK KITE KITS:

- The Workshop Kites are available in Kit Form to schools and social groups.
- They come complete with pre-cut skins, all assembling materials (except tape), detailed instructions and a brief history and interesting facts on the style of Kite you are making. These kits are designed for easy DO IT YOURSELF WORKSHOP.
- Bulk Kite Kits are pre-packaged in sets of 20. If your order is over 20 we will break a pack if needed. So if you would like to order only 56 we will break a pack and supply the ordered number and only charge for 56. Orders below 20 - are charged at Retail Price.
- Follow-up service - we are just a phone/fax/email call away. If you have any questions or problems the staff at Kite Shop are able to find the answer to your questions.
- Please see price list for costing.
- Tape—we don't supply tape as most schools have plenty of masking tape. Any masking tape works well with these kits.
